The Clowns

Taking us into worlds we are unaware of,
showing us, teaching us, helping us explore —
Such are our **Teachers**.
caring enough to forget their troubles
for the time being,
caring enough to experiment with different
approaches
to open our minds and let us live —
Long live the **clowns**!

31

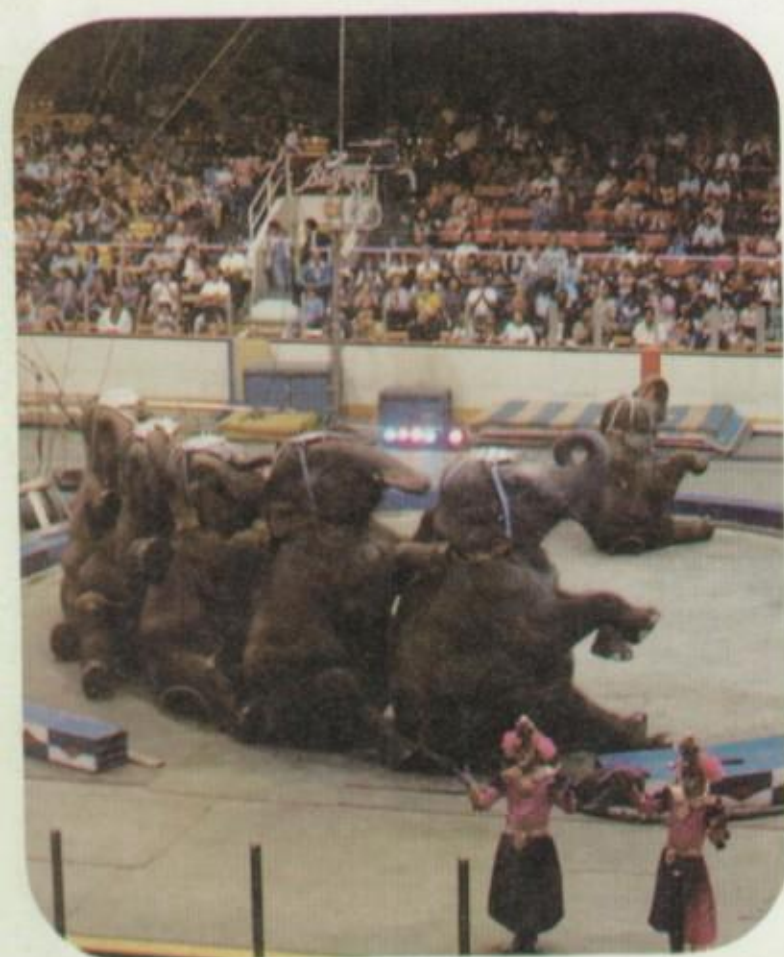

Makeup & Costume

Spicing up a performance
such as high school life,
making the fanfare complete,
is how our **Clubs and Activities**
compare to the essential
makeup and costume
of the greatest show on earth!

75

Strongmen

Talent and practice,
luck and superstitions —
all combining to equal **Sports**.
And if lady luck is on your side,
Be recognized!
Be happy!
The crowd is ecstatic tonight!

111

Sideacts

Dreaming of opening night
the lights, the sparkle,
the center ring they will soon occupy —
these are the visions of the **Underclassmen.**

ROUGH RIDERS have just begun
but the next three years will go fast,
new friends, new sights,
but looking forward to the end just the same —
these are the **Freshmen!**

THE JUGGLERS are right in the middle
taking it easy, enjoying the ride,
nothing to worry about, taking it in stride —
these are the **Sophomores!**

THE TIGHTROPE WALKERS have one more step
up the ladder to success.

One more year
lots of decisions, lots of worries,
but lots of joys along the way —
these are the **Juniors!**

137

The Main Attraction

Climaxing all the great performances that go before,
symbolizing the crown that brightly glitters
on the head of an already sparkling being —
these are the **Seniors** topping off our show
with greatness.

Nothing is too hard, too daring for our **Super Seniors!**

161

The Vendors

Oh what lively characters are they —
part human, part machine —
always catering to the whims of crowds,
but standing straight and tall for the show.

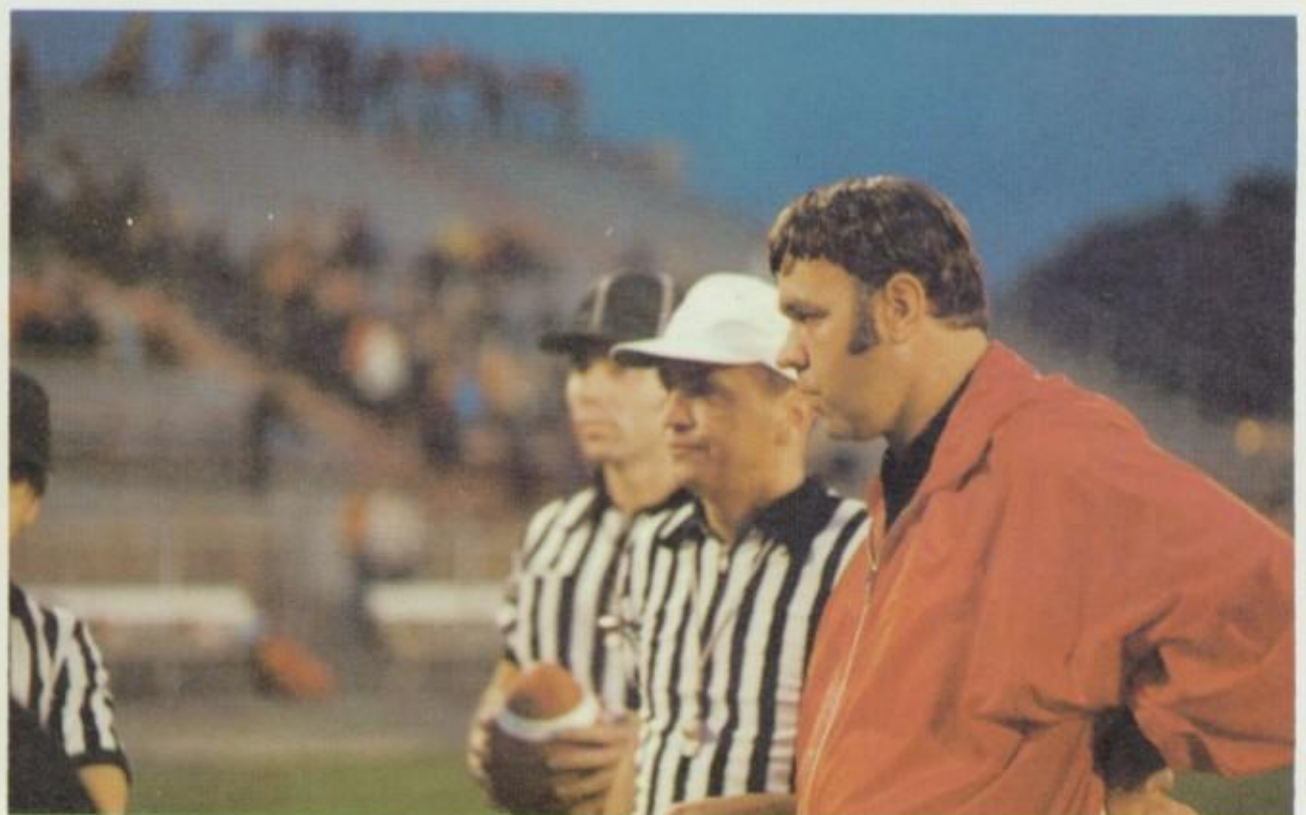

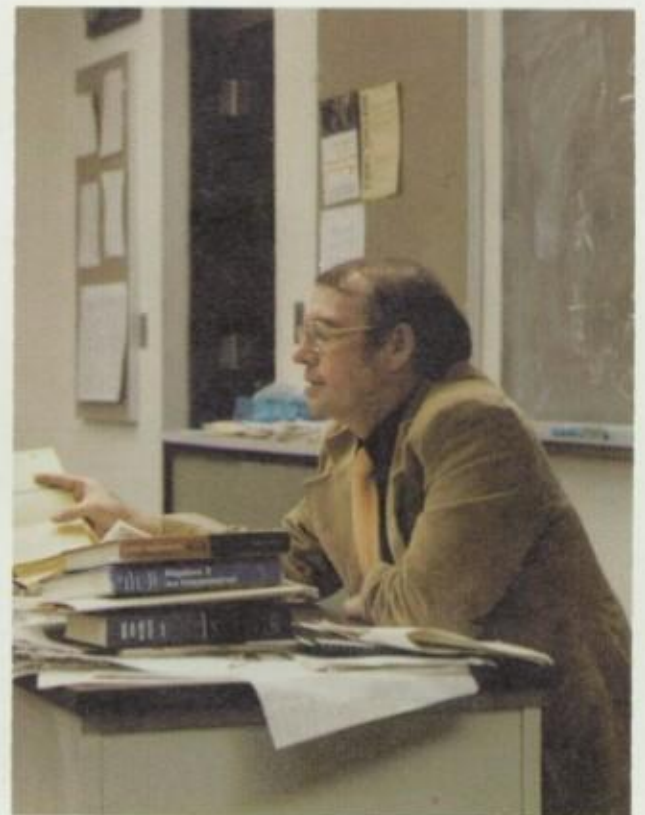

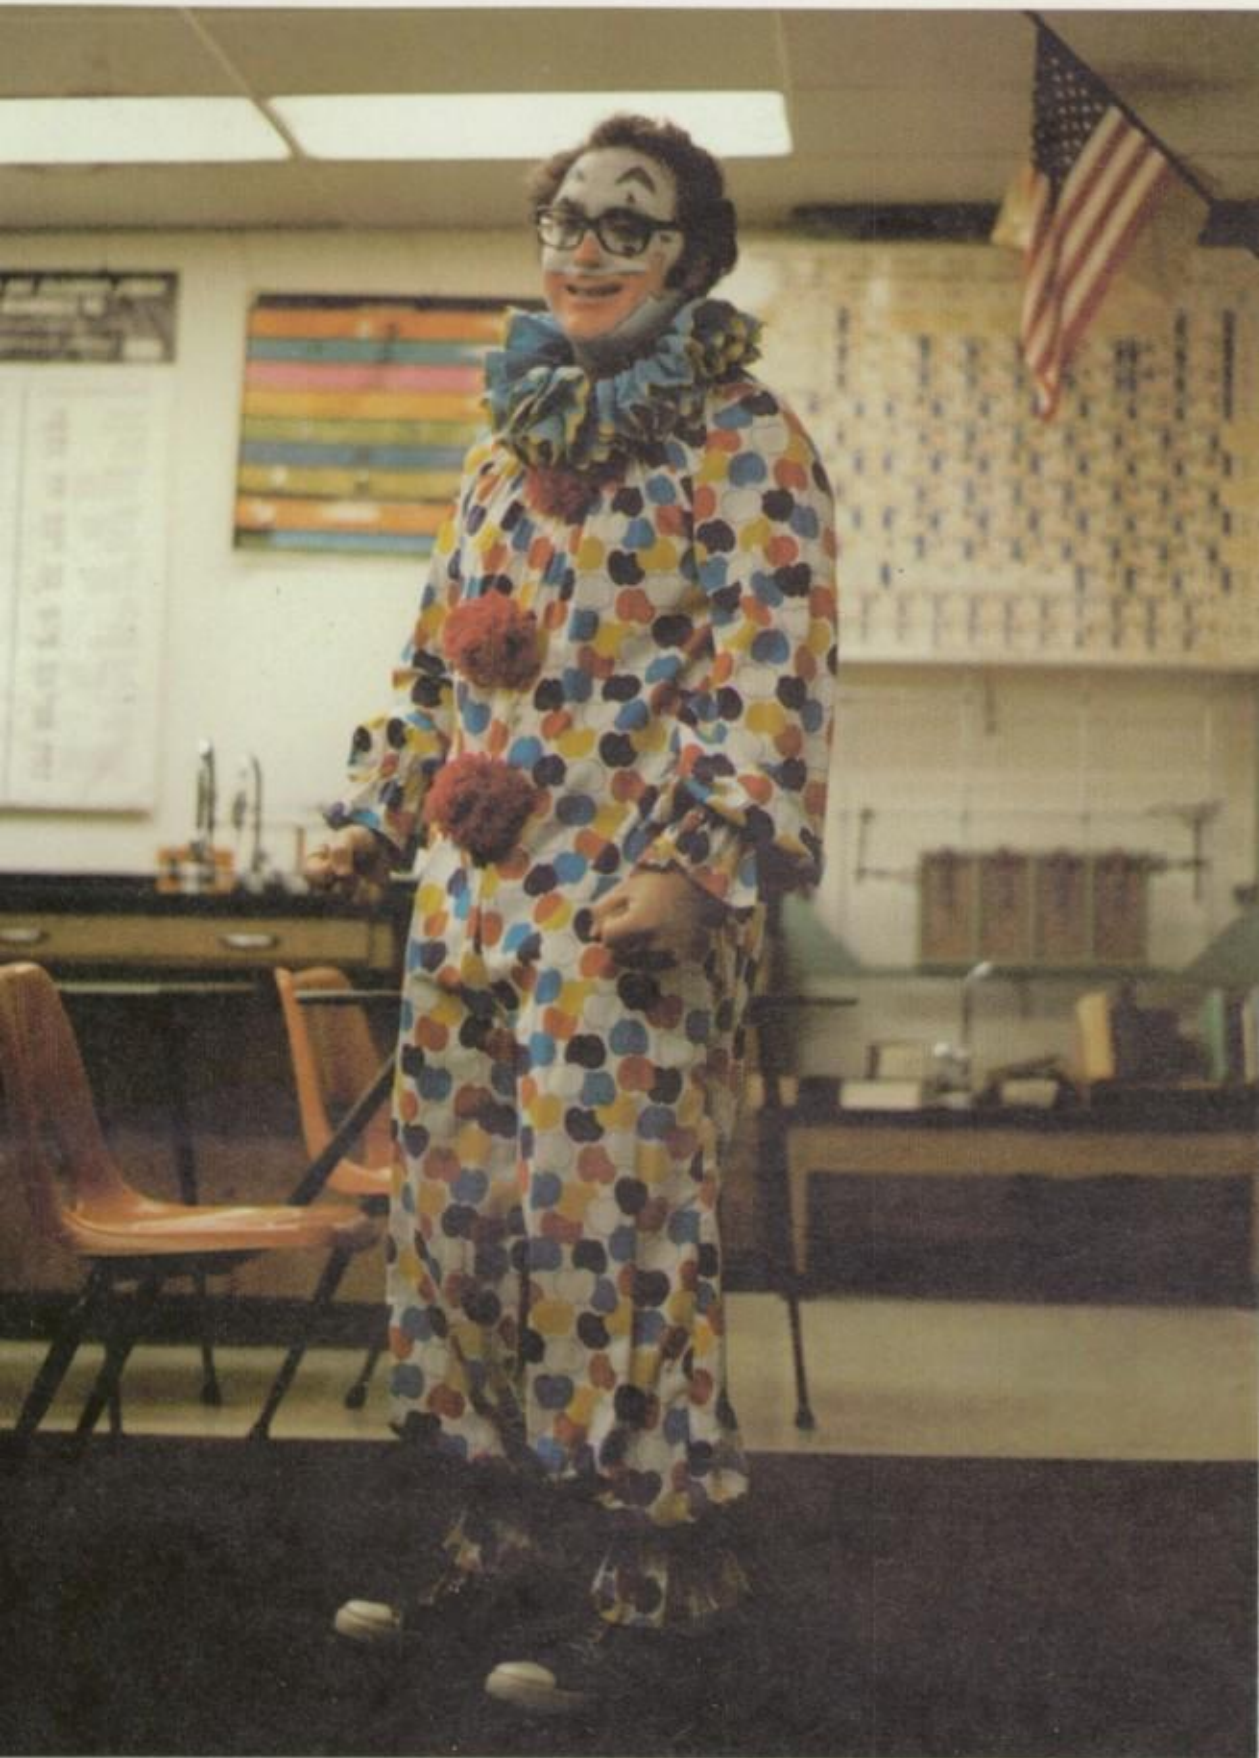

Advertisers and Patrons
are some of the many performers
who complete our circus!

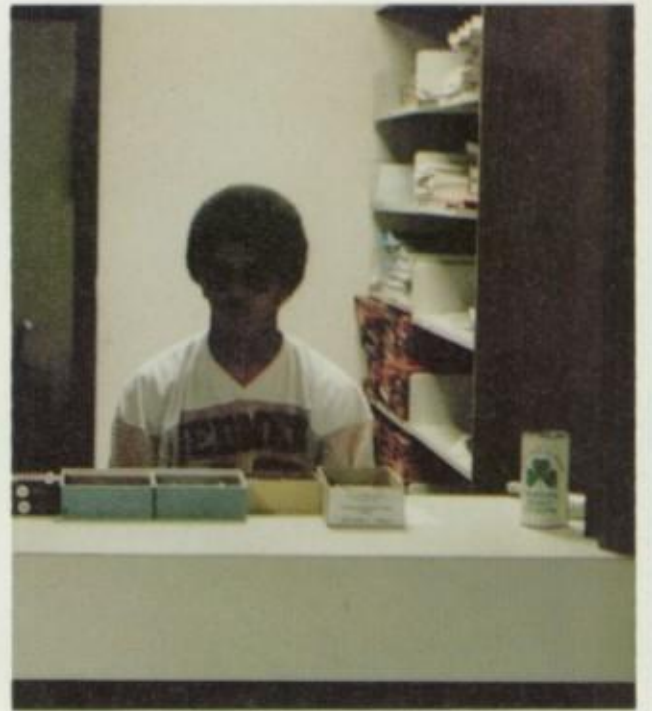

No circus would be complete without the **clowns**; in fact, they are often the cement that holds the show together. At FHS the **teachers** perform the same function. Like clowns, they must often be superb entertainers in order to keep and direct their audience's attention. Like a clown, a teacher at times must forget about his own personal troubles and feelings and go on with the show. A teacher, in much the same way as a clown does, gives of himself day after day to person after person. Both the clowns of the circus and the teachers of our world play an important role in shaping and molding the lives of those around them.

Mark, no matter what happens I'll always love you
 To the best, all-around guy
 I know, Good Luck in your future
 & whatever you do!!

I met you this year and very
 very glad I did... Right now
 what we have is very special
 to me and I wouldn't ex-
 change it for anything in
 the world, we're having our
 times, but I think will make
 it.

All participants in the circus need makeup and costumes to spice
 up their performances, to give them added dimension. The makeup
 and costumes of our world are the various clubs and activities that
 round out a student's life and give him a more three dimensional
 view of life. In much the same way that a performer changes his
 makeup or costume, so too does the student participate in not one
 but a variety of extracurricular activities, each one reflecting and
 magnifying his own personality.

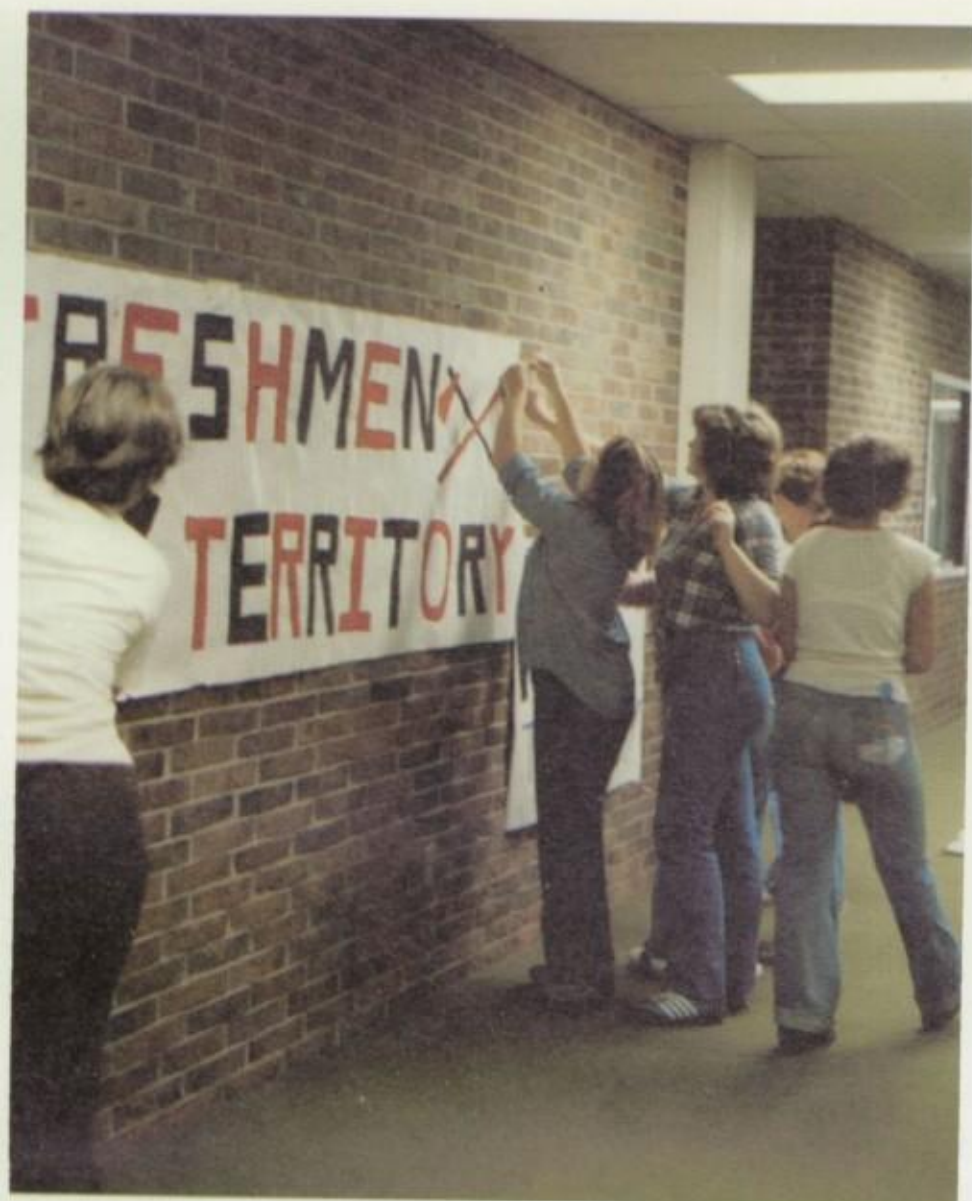

In our world we have not one but many **strong men** who take pride in their physical prowess. Both the **members of our sporting events** and the strong-man in the circus must endure vigorous training programs. Both constantly push themselves to achieve the ultimate goal — a body in expert physical condition, tuned to accomplish success in whatever event they participate. And, in both cases spectators enjoy the end results!

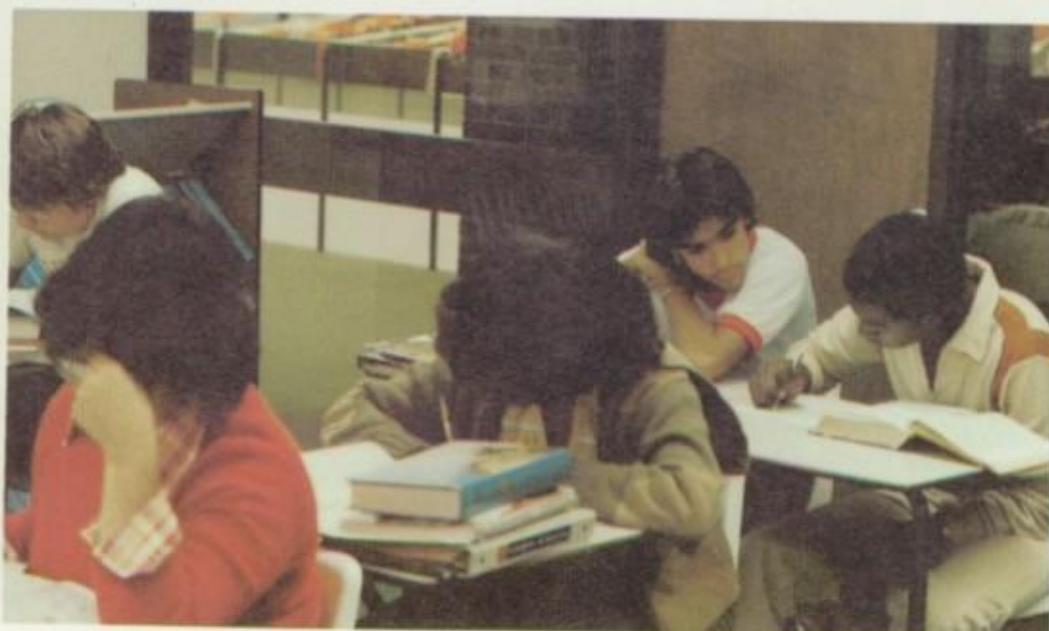

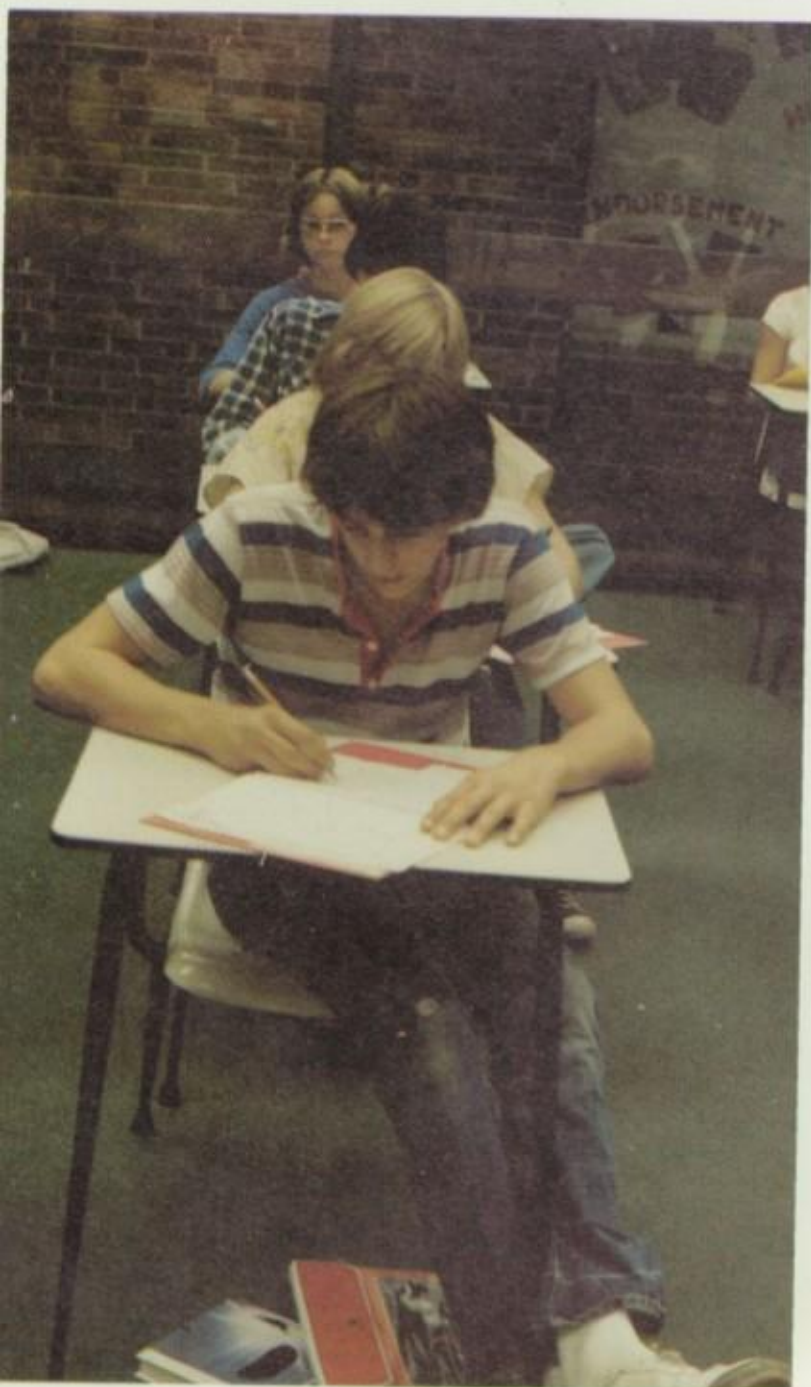

The **underclassmen** of our school can be well represented by the **sideacts** of a circus . . . A *freshman*, like a *rough rider*, enters his first year of high school with nothing solid to hold on to. He begins to take on many new activities and responsibilities as he adjusts to his new surroundings . . . The easy going *jugglers* represent the *sophomores* to a tee. They are comfortable in their surroundings and they do their job well. This is the year that most gain that long awaited achievement — the driver's license. Then it's look out world; it's a juggler on wheels! . . . *Juniors*, like the *tightrope walkers*, often walk the thin line between success and defeat. They are looking forward to the privileges of being a senior, but with these privileges comes a certain amount of worry. Things get tough for a junior, but he usually pulls through.

Dangerous, death defying, extremely challenging — all words used frequently to describe the **main event** — the act saved until last in a circus. At FHS the **senior year** holds a similar position and the same descriptive words. The most challenging and most highly anticipated performance is certainly the senior experience, for in this year a senior must make several major decisions and often take the risk of falling as the grand finale — graduation — approaches.

- 3 — Senior Attendants: Amy Kramb and Warren Johnson.

No circus can operate without the barkers, nor can any yearbook staff operate without advertisers. Both groups of people are the support line of the group. Without barkers, a circus just wouldn't have the same flair, and without advertisers, there would be no yearbook. Without the generous support of our barkers we couldn't bring our circus world alive. So, thanks to our barkers, enjoy our circus, and "Welcome to The Greatest Show On Earth" . . .

McCambridge Retires After Eighteen Years

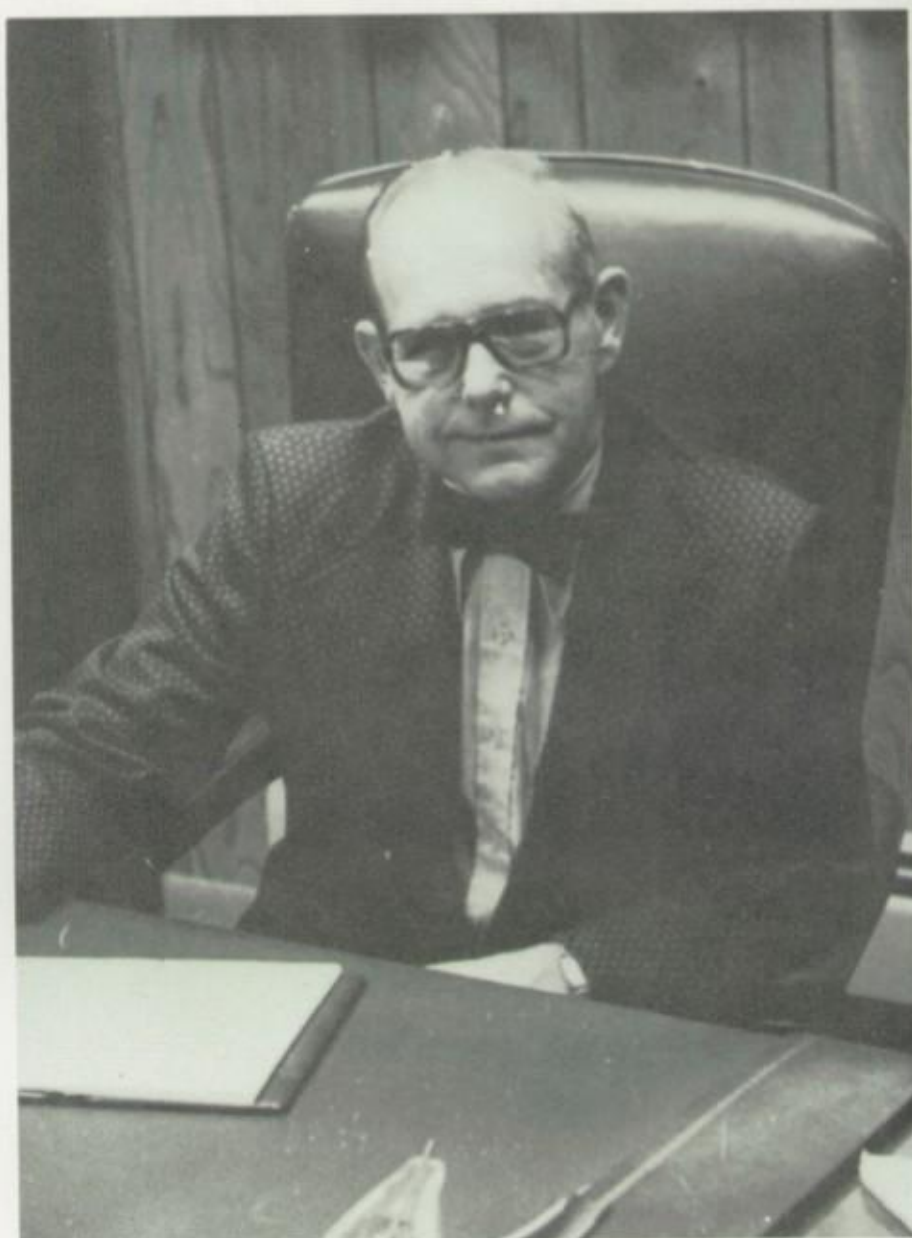

Cramer Begins New Decade

Spanning eighteen years, Mr. Ralph McCambridge, former Superintendent of Fostoria City Schools, is a legend in his own time. His many projects, plans and skilled management of school funds were some of his achievements that helped to establish him as the well-known leader of our school system throughout Northwestern Ohio.

Gaining valuable experience in education in Lancaster and London, Ohio, before moving into the Superintendent's role in Willard, Ohio, Mr. McCambridge came to Fostoria a seasoned veteran in education. Since 1962, he feels he has established sound beliefs in school administration in Fostoria, and has brought about growth of both vocational and industrial instruction in our schools. Although proud of many of his accomplishments, he feels his greatest achievement in his term here in Fostoria was the building of the present high school.

Not only the building, but also the many students who attended, stand as proof of his dedication to education during his administration.

The future of Fostoria City Schools lies heavily on its new leader, Superintendent of Schools, Paul Cramer. Mr. Cramer was formerly the assistant superintendent of schools in charge of operation. The passing of the 5.9 mill operation levy in early February provided an auspicious beginning for Cramer's reign.

Performing in one of the most difficult shows ever, were the students in the production of the "Miracle Worker." Elements which enhanced the show, although they added to its difficulty, were the many different light changes and the various sound effects. A very capable crew can be thanked for handling these problems with ease. Many hard hours of practice were needed by the actors and actresses since the characters to be portrayed were very intense, emotional and complex individuals. Receiving a standing ovation after both performances, on Nov. 9 and 10, made all of the hard hours of work worth while.

The drama department played "Sherlock Holmes" in the production of "Murder on Center Stage." Lisa Howell and Glen Wenzinger led the troupe in its final performance of the year on April 11 and 12.

Homecoming Activities Shine With Spirit

What a week! Students exuded spirit and enthusiasm during homecoming festivities. The theme, "Every Day's a Circus," set the mood for the week's activities.

Ending the week was a pep rally on Friday. Even the faculty joined in the fun with Masel the clown and his "elephant" companion.

Friday evening climaxed the week's events. Cheerleaders lifted off pregame festivities with balloons, followed by the homecoming court and attendants in sleek corvette convertibles.

Excitement reached its peak as the senior attendants and crowd anxiously awaited the announcement of this year's king and queen. Laurie Boff and Scott Nye gleamed with delight when Cami Gray and Fred Hunt, last year's Homecoming Queen and King, made their presentations.

Homecoming became a total success when the football team rolled over Napoleon on its assault on the GLL title.

Exchange Students Bring the World to Fostoria

"Everything is so big . . ." August, 1979. Petra Driessen arrived at Toledo Airport to start the beginning of a fun and experience-filled year. Since August she has seen an American Christmas, an American New Year, and a Fostoria football season. When mentioning American food, Petra automatically visualizes the golden arches of McDonalds and recalls how much cheaper it is here than in Holland. Like any normal exchange student, she misses her friends and family, but when she returns to Holland this summer we hope she'll have many tales and stories to share with them about her days at FHS.

"I can't believe those pep rallies . . ." Coming from a non-sports-oriented school, the enthusiasm of our pep rallies came as a pleasant surprise to Pam Morales. Pam found that many of the customs here, such as Christmas, are the same as in Equador, but she was pleased with some differences and more than happy to catch the "FHS Fever". One of Pam's most special events since her arrival in August was to catch her first glimpse of snow over the holiday season. Pam finds more time in America to enjoy the art of cooking — especially cakes. With Pam's love of cooking, we hope we have been able to "bake up" some memories for her to take home.

Nervous is . . . "Five minutes before landing" . . . On a sunny American morning Kenneth von Ben- nigsen got his first taste of Western life in a Toledo store. Only a month later he was in Memorial Sta- dium in what he thought was an unusual red and black uniform, playing for the first time and tast- ing the thrill of victory with his first winning sea- son as a Fostoria Redman. Ken comes to us from Denmark. Since he's been here he has learned to roller skate, "I know how, but not real well," has marveled at the big houses, and has eaten our infa- mous cafeteria food. Ken will leave us in July with a mind full of memories of the experiences which came to him while here in Fostoria.

Football Team Soars to Magnificent Season

Hard work almost always brings good results. The 1979 FHS football team was no exception. In making its way to a 9-0-1 regular season record, the Redmen earned a birth in the state playoffs.

After three victories over Bowling Green, Willard, and Columbian, the Redmen fought to a 0-0 tie in bad weather at Tiffin Calvert. From there on, FHS rolled over six straight opponents, including the GLL championship game against Clay. At Bedford, the Redmen completed the undefeated regular season with a 34-6 victory.

At state playoffs against a powerful Akron St. Vincent St. Mary's team the Redmen could not seem to get untracked. Throughout the first half Akron dominated play. Their offensive and defensive lines controlled actions, and the Irish scored three times to lead the Redmen 20-0 at half.

Coming out with more determination, FHS mounted a drive the length of the field to score. However, Akron held the Redmen the rest of the way while scoring again themselves, and the final score was set, 27-7.

Fellow senior center John Pope and junior Joe Johnson were given special mention All-Ohio honors. Coach Kidwell was named the coach of the North Squad in the annual North-South all-star game. Moore, Pope, and Johnson earned a first team spot.

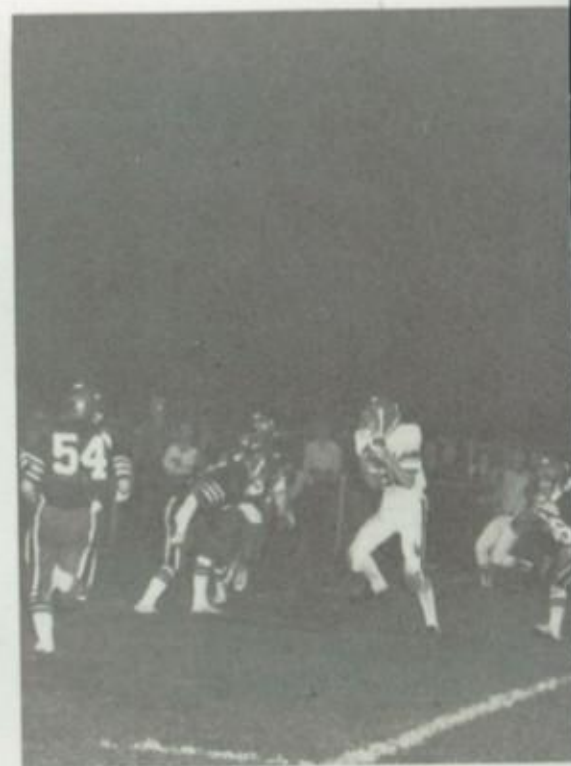

The junior varsity team played well in several games, completing the season with a 3-4-2 record. Against Great Lakes League competition, the Redmen were 2-2-1. Many games were close, with several games being decided in the last minutes by a single touchdown or less. The defense, as on the varsity, held the Redmen, as the offense scored just 27 points all year.

Team Effort Key to Harriers' Success

"We had a very respectable season as we were better than a lot of people in the area thought we would be," commented Coach Carl Fisher in reviewing the cross-country season.

The 1979 edition of the boys' cross-country team came up losers in only three dual meets as they posted an impressive 9-3 dual meet record. Losses came at the hands of highly regarded Lakota (32-34), Napoleon (40-17), and Bedford (29-28), while the FHS harriers highlighted their season with wins over Mt. Wendelin (20-42) and state powerhouse Clyde (27-30).

The Redmen placed second in three of the four invitational they competed in this season. Runner-up finishes came in the grueling Perrysburg Invitational, Lima Shawnee Invitational, and the Findlay College Invitational. The team also competed in the Tiffin Cross Country Carnival where they placed eighth out of 20 teams.

Much of the Redmen's success was attributed to the fact that even though the team lacked an outstanding individual, the harriers had fine pack running and were not as dependent on a good pace by any one runner. The Redmen were led by seniors Mike Etzinger and Rocky Demars and junior Pat Nye.

- "They're off," as another meet gets underway.

Cross-Country: (row 1) — Bob Fittro, Craig Baldwin, Robin Hickie, Jeff Joseph, Pat Nye, Mike Etzinger, Rocky Demars, Scott Shumaker, John Leal. (row 2) — Jon Opperman, Tim Munger, John Zoll, Ivan Leavitt, Glenn Burns, Tim Switzer, Kenny Holmes.

In the GLL race the competition was very tough as the Redmen found out; coming away with a very disappointing 5th place finish. Napoleon claimed the team title for the 2nd year in a row. The harriers regrouped for sectionals and finished 3rd to qualify for districts for the third year in a row but finished a distant 7th in districts and failed to qualify for the state meet. Looking ahead towards next year's team Coach Fisher remarked, "We had quite a few first year runners and with continued improvement we hope to better last year's accomplishments."

- 1 — John Leal and Bob Fittro push each other during the second mile.
- 2 — Rocky Demars and Mike Etzinger stride for the finish.
- 3 — Jeff Joseph reaches back for a little extra.
- 4 — Robin Hickie glides to a smooth finish.

Girls' Tennis Serves Up Successful Season

Although most of the racket was on the football field, there were raquets flying on the tennis courts as well, as the girls' tennis team soared to their best season ever. At the end of the season they found themselves with a remarkable 10-3 record and 2nd in GLL competition, runner-up only to a very tough Sylvania team.

During the course of the season, Barb Blose and Kelly Conrad broke the FHS record with 11 wins and only two losses. Also contributing outstanding records were Kathy Scharlach, Amy Fast, and Linda Tong.

"It is just great having a winning season," replied Coach Dalrymple. "Our players worked hard and the enthusiasm was tremendous. If next year's players are willing to work hard over the summer then next year will be even better."

This year's golf team, with only one senior, finished the season with a dismal 4-10 record. Inexperience and inconsistency proved to be the main factors throughout the 18 match season.

One bright spot for the Redmen was the play of two freshmen, Bob Hammer and Mark Dennis. According to Coach Fred Wilch, this year was the first ever that two freshmen have earned varsity letters. With six juniors and one sophomore also on this year's team, next year should bring better results for FHS golf.

Determination Guides Hoopsters to Successful Season

Completing a season that was the best since 1972-73 season, Redmen roundballers had much to be proud of. Although it was only 6-4 and placed third in GLL competition, the basketball team held its ground on numerous occasions. Outside the GLL, the basketball squad also proved to be a worthy opponent as it was 11-8 overall.

Because of lack of size, players had to be extra intense and mentally tougher. In accomplishing these feats, many of the Redmen had some outstanding features. Scott Nye broke an FHS record with his picture-perfect foul shooting, and George Tucker cleaned the boards game after game. The tough defense of Nate Lynch, which caused 35 charges, also helped in the winning efforts. The shooting ability of Joe Johnson and the versatile duo of Dan Boff and Kent Loomis also contributed as did the bench who often relieved the roles of the starters.

- 1 — This day is no exception for Joey Johnson's hustle.
- 2 — Scott Nye performs a picture perfect defensive stance.

Reserves Post Discouraging Season

The first win of the season seemed to evade the junior-varsity basketball team, but this didn't stop their rivals from realizing a tough opponent. While taking numerous games into overtime, the reserve team just couldn't seem to go all the way and lost many of its games by only a few points.

Injuries plagued the season with key players Mike McDonald, Chuck Loomis, Tom Hiatt, and Tim Bockelman missing at least several games each.

Girls Struggle Through Tough Season

Inconsistency was the weak point for the 79-80 girls' basketball team as they stumbled through a mediocre 5-13 season.

At the outset of the season the girls appeared ready for a winning season as they won handily over Willard 54-46. The girl roundballers then bowed to Mohawk before bouncing back against Arcadia to improve their record to 2-1. Van Buren and Lakota proved to be a bit too much for the cagers as they dropped the next two contests before defeating league opponent Port Clinton to even their record at 3-3. Next up for the team was Class A powerhouse New Riegel and the girls came back to even up their record again at 4-4 by easily knocking off Clyde by a 56-43 total.

The turning point in the season appeared to be the 38-73 drubbing at the hands of Napoleon, as the girls went on to lose their next six in a row before again defeating Port Clinton 45-32. Four straight losses followed the victory as the girls' record fell to 5-13 overall and 2-5 in GLL play.

Wrestlers Boast Two GLL Champs

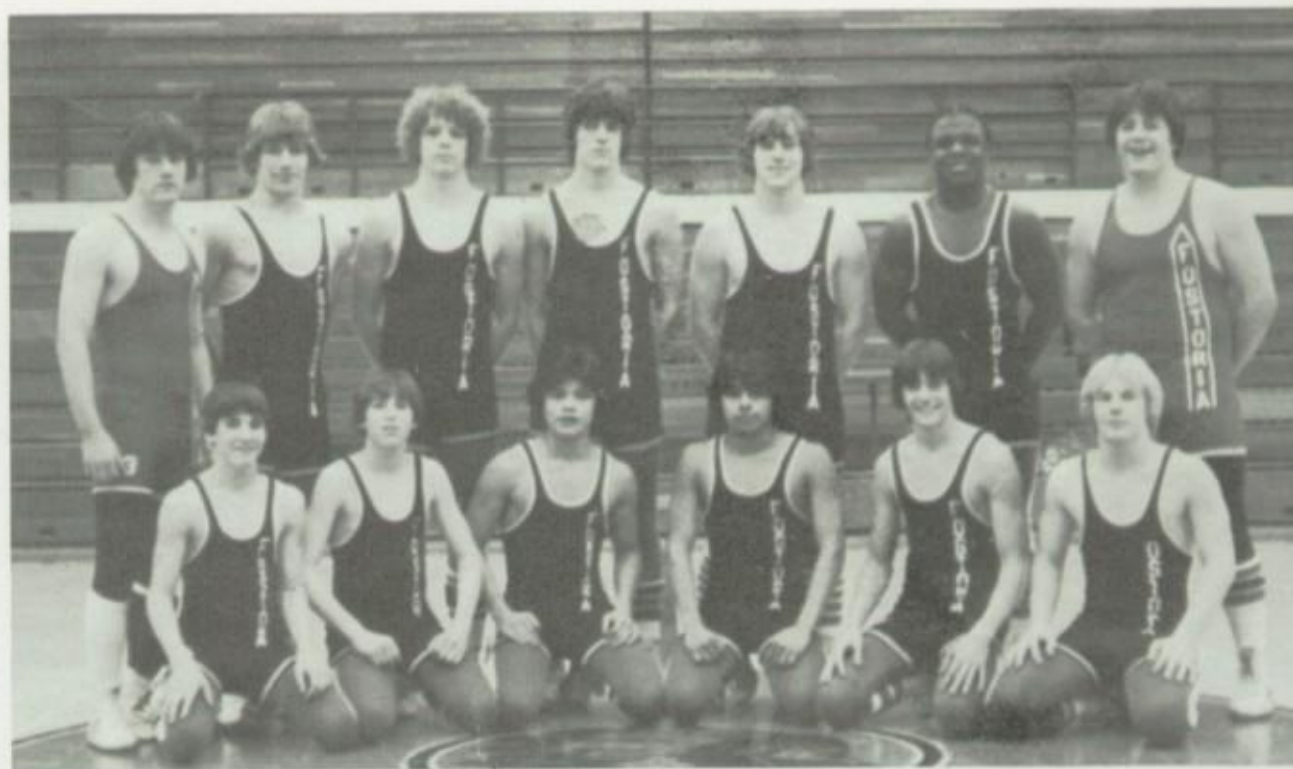

The wrestling team flew off to a good start and kept the pace to have a record of 11 wins, 5 losses, and 1 tie. Along with the dual matches, the Redmen did well in both the Eastwood and Mohawk tournaments. Several wrestlers had outstanding performances, including junior John Marshall, who was named the tournament's outstanding wrestler at Mohawk.

In the GLL tournament the grapplers did well again, finishing third. Seniors Clayton Moore and Josh Goddard won GLL titles with John Marshall and Jim McIntyre holding runner-up spots.

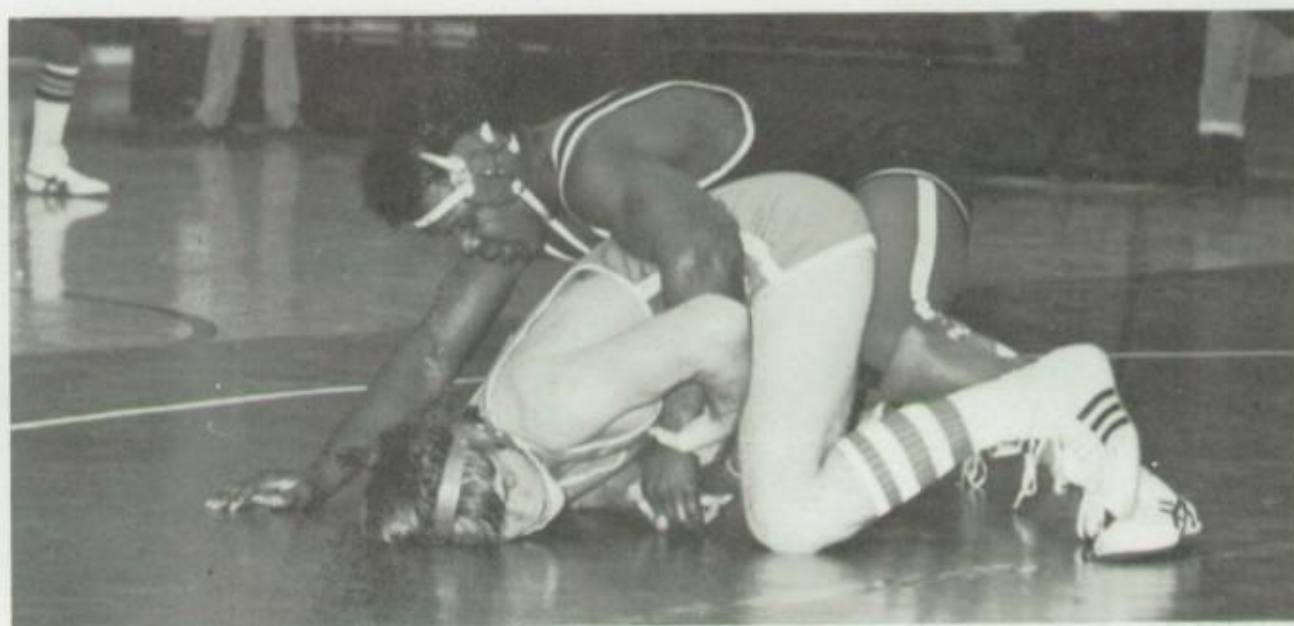

The wrestlers headed into the sectional tournament with hopes of a high finish for the team and advancement to district and state competition.

The grapplers continued to do well in tournaments. Three wrestlers — Goddard, Moore, and Marshall, advanced to the state finals. Goddard won fifth place while Moore and Marshall finished in sixth, closing out a tremendous season.

- 1 — Clayton Moore has the upper position in this match.
- 2 — Greg Roslaes attempts to roll his opponent.
- 3 — John Marshall is ready to attack.
- 4 — A pin for Josh Goddard decided this match.

Swim Team Looks Toward District Meet

The 1980 Girls' Swim Team will be much improved this year with seven of the eight swimmers returning from last season. Two or three girls will also participate in diving competition.

Ms. Patsy Grimm will coach the team, and she plans to start practice around the first of March.

Two meets were scheduled this season, beginning March 22 at Galion, and the other April 10 at Napoleon.

The girls will practice daily at the YMCA, hoping to do well at the district meet in May.

The 1979 Boys' Track Team was the best in the school's history of track. Several outstanding performers and team depth led the Redmen to a 7-0 dual meet record and two major relay victories. The team was best in the Great Lakes League, and received first place in sectionals, second in districts, and finished the season with a fourth place finish at the state meet.

Led by most valuable runners Chuck Pullom and Tracy Spencer, Fostoria breezed to a 4-0 dual meet record through the early part of the season. The next meet proved to be the only close meet of the season, but the Redmen prevailed over Port Clinton 65-63. Through the rest of the season to the District Meet, the team never lost, including victories in the Fostoria Relays, and the Blade Relays in Toledo.

At districts, several Redmen turned in outstanding performances, and Chuck Pullom, Joe Johnson, Ray Foster, and the mile relay team of Mike Etzinger, Bill Lawson, Lowell Harris, and Chuck Pullom advanced to state. The mile relay team had also set a new school record during the season.

At state, unlike several years previous when bad luck had come to the Redmen, the cindermen's season-long hard work paid off. Chuck Pullom won the half mile, and sophomore Joe Johnson won the long jump. The mile relay team finished eighth, and Ray Foster just missed qualifying for the finals in the discus.

Along with Pullom and Spencer as MVP's, Tracy and Johnson won Most Improved Runners, while the Pride and Desire Award went to junior Mike Etzinger.

Girls' Track Achieves .500 Season

The girls' track team of 1979, with just three seniors, ran their way to a 3-3-1 dual meet record. FHS had a 2-3 record in the GLL, and at two of three relay meets, the Redmen finished well up in the standings.

Co-captains for the season were four-year varsity letter winners Cami Gray and Chantay Feehan. Junior Kristy Bogard was the team MVP. The scholastic award went to Kathy Hunt, while Feehan won the Fostoria Booster Award. Rookie of the year went to freshman Sheryl Birkmire.

Four new records were broken during the year as the girls worked hard to improve. The mile relay team of Gray, Bogard, Lisa Rinehart, and Birkmire set the new mark in 4:13.4 minutes. The team of Jenny Johns, Kim Fant, Feehan, and Bogard ran a 1:49.6 in the 880 relay. The four mile relay consisting of Birkmire, Louanne Lambright, Penny Payne, and Laurie Deerwester broke the old record by running to a time of 25:10.4 minutes.

The shuddle hurdle team of Feehan, Rinehart, Hunt, and Bogard also set a new record by sprinting to a time of 1:12.4 minutes.

Four freshmen had record setting performances also — Jenny Johns in the long jump, Denise Nye in the discus, Birkmire in the half-mile run, and Jan Yates in the high jump. Birkmire in the 880 run set a new school record by running it in 2:26 minutes.

'79 BASEBALL: (row 1) — Jamie Opperman, Bart Lombardy, Dale Storrer, Mike MacDonald, Scott George, Troy Wade, John Marshall, Gregg Morgan, Paul Stevens, Doug Dennison. (row 2) Frank Smith, Kevin Niswander, Phil Salisbury, Scott Nye, Brian Chapman, Todd Runion, Eric Brant, Curtis Reinhard, Brad Stevens, Larry Watkins.

"Much improvement" are the only words which can describe the '79 boys' baseball team as they posted a 9-10 record overall, and a 3-7 slate in the GLL. This year's team also recorded its first tournament win in recent years.

FHS never got its feet on solid ground as it see-sawed back and forth all season between winning and losing. They were involved in seven one-run games, coming out on top on four occasions while dropping the other three.

With the return of Most Valuable Pitcher, Scott Nye; Most Valuable Infielder, Gregg Morgan; and Most Improved Player, Jamie Opperman, next season looks to be one of growing success and stable play as ten returning lettermen will take the diamond.

- 7 — Jamie Opperman is obviously happy with his pitching performance.
- 8 — Troy Wade takes it easy before a game.
- 9 — Brad Stevens tears the leather off the ball with a powerful swing.

Boys' Tennis, Ominous Foe

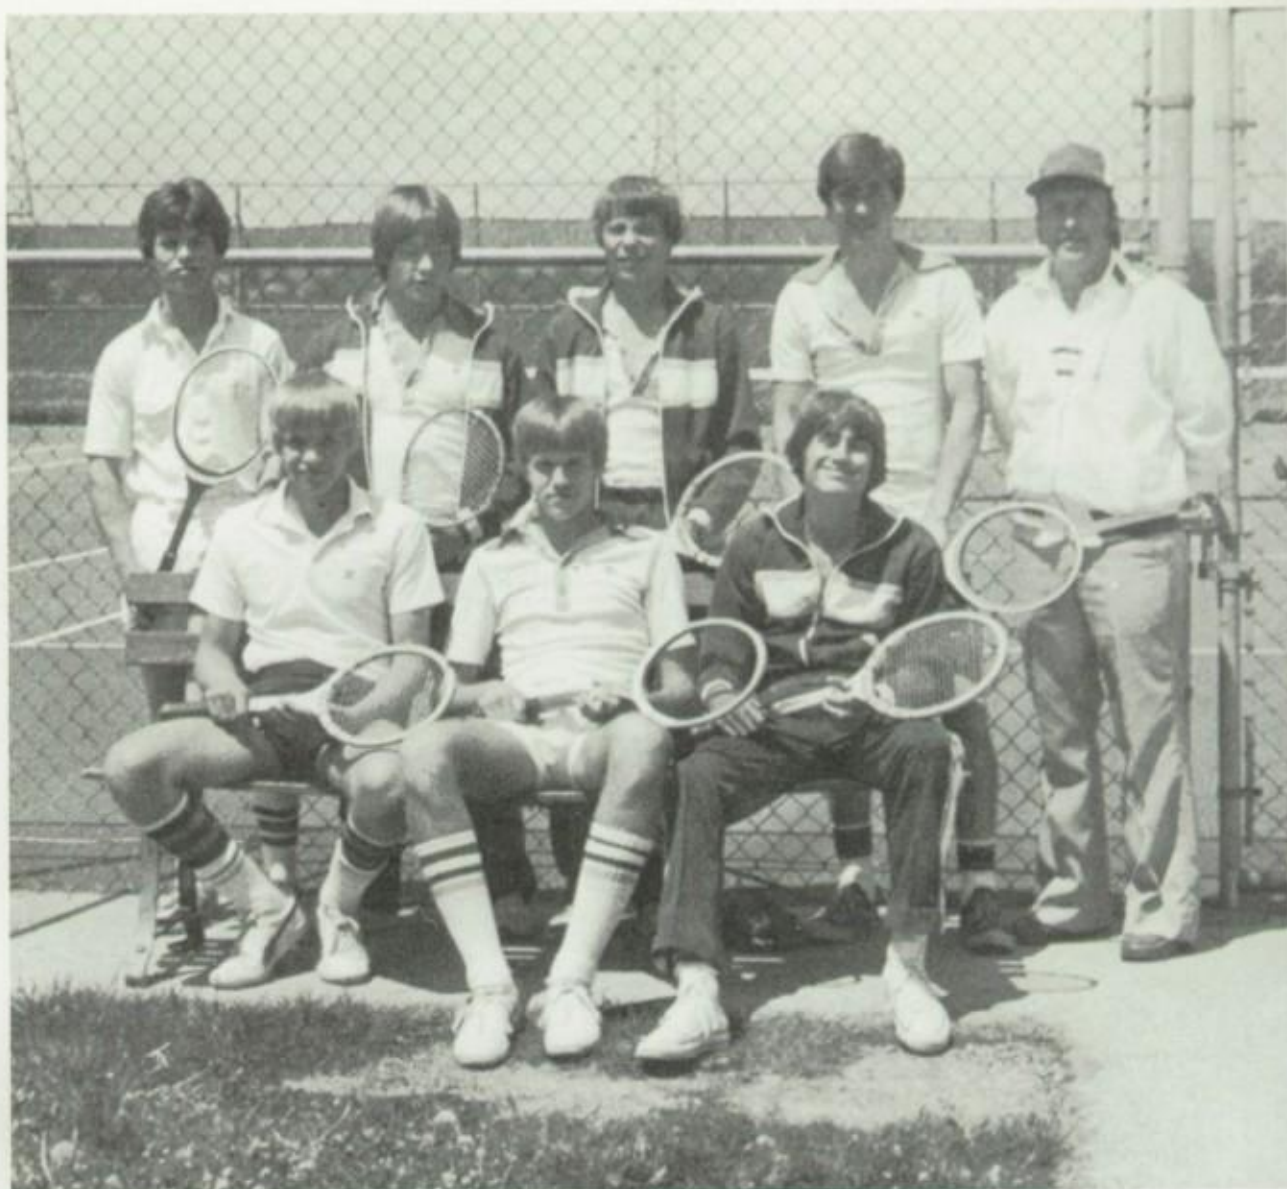

Boys' Varsity Tennis: (row 1) — Mike Krupp, Larry Burk, Brian Searles. (row 2) — Bob Lewe, Dan Boff, Brian Barringer, Jeff Mortimer, Coach John Fox.

"The key to this year will be how well our singles players perform," tennis coach John Fox said. "This year we will have enough depth from last season's team to improve our overall lineup."

This will be true because the team has four returning lettermen; Barringer, Boff, Burk, and Searles. There are also many promising players ready to fight for the three other positions.

The tennis team will mostly be on the road this year, as they have only four home matches out of a total of thirteen.

- 1 — Junior Brian Searles shows tremendous force behind his serve.
- 2 — Senior Larry Burk displays great determination while beating an opponent.

Just like a circus must have its final act, a yearbook and a school year must come to an end. Every act in a circus takes endless hours in preparation before it is ready to perform — every detail counts. We and our staff have done our best this year to see that our circus is complete.

We would like to thank a very special and gracious lady at this time. She is not only the emcee of our show, but she was the cement that held the act together. Without the help and devotion of Ms. Pelton our show would not have been complete. Thanks!!!

Even though one more high school year has passed, and for the seniors the last one, it shall never be forgotten. It is packed with many unforgettable memories — some good and some bad. Who will ever forget the mighty Redmen's trip to state play-offs, or the day the lights went out on FHS? This year the seniors won their first class spirit stick, the juniors realized the headaches of organizing a prom, the sophomores satisfied everyone's sweet tooth by selling a ton of Lifesaver suckers, and as usual, the freshmen learned the ropes of FHS. Some of us had our first brush with death. We lost two classmates, Jeff Peters and Doyle Barlekamp; and though we mourn their passing, our memories of them will live on forever. Sometimes you think you will never forget an event, but as we have been told, twenty years from now you will need to find a face or a name. This is our main purpose as editors — to aid you in your search.

Even though this year has been busy, hectic, frustrating, discouraging, and upsetting at times, it has also been a challenge and a lot of fun. That is why we are sad to see it end. Just like a circus must move on from town to town, leaving many pleasant memories behind, so, too, must we all move into the new and different phases of our lives. We hope that the 1980 FOHIRAB will help you to never forget your days at FHS.

Best of luck always,

Beth & Lynn
